

Stage 4. Hampton Court Bridge to West Byfleet (via Thames Path, streets, then Wey Navigation)

-- detailed instructions --

0.0mi :: Thames Path crosses **Hampton Court Bridge**. Stage starts on the bridge.

0.0mi :: Leave Hampton Court Bridge on **SOUTH** bank of River Thames.

Head **WEST** on **Thames Path**.

Follow **THAMES PATH** on **SOUTH** bank for 4.8mi. The river will be on your right.

4.8mi :: You will arrive at **Walton Bridge**.

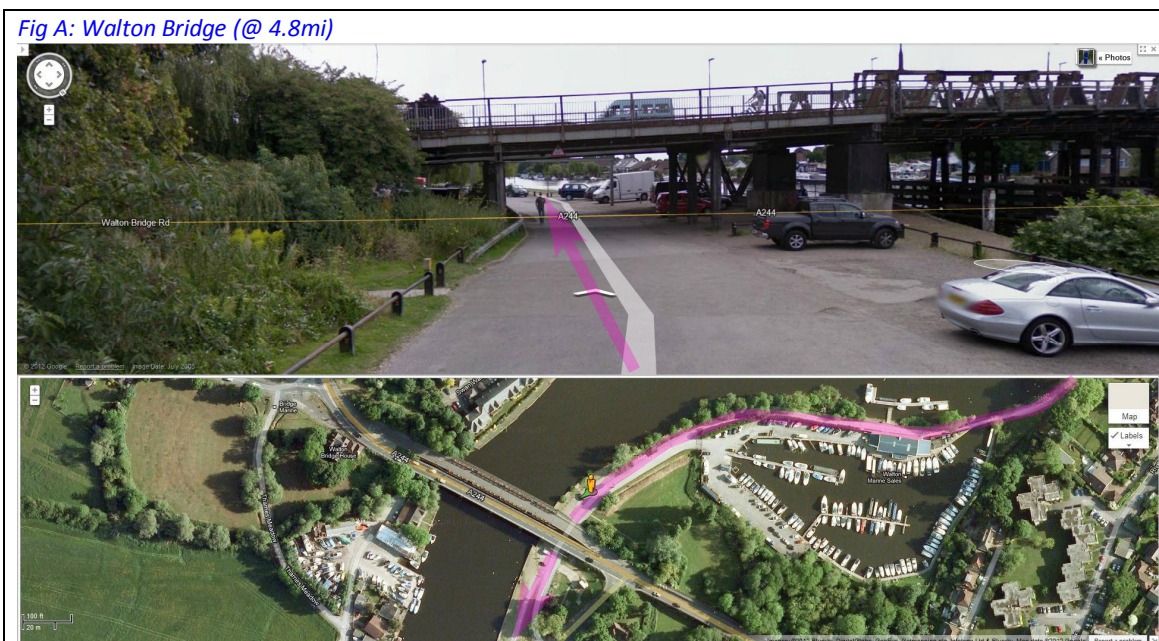

Note that the bridge is being rebuilt, and there may be Thames Path diversions in operation.

For the next mile the Thames Path makes use of both banks of the Thames.

DO NOT cross the river -- Stay on the **SOUTH** bank with the river on your **RIGHT**.

(in the absence of any bridge works you just pass under Walton Bridge and continue)

Fig A: Walton Bridge (@ 4.8mi)

4.9mi :: After passing Walton Bridge, remain on riverside path on SOUTH bank.
The river will be to your right, and the (busy) Walton Lane to your left.

Fig B: Walton Lane (@ 4.9mi)

6.2mi :: riverside path emerges through car park onto **Thames Street**.
Follow **Thames Street** south for 0.2mi.

Fig C: riverside-path / Walton Lane / Thames Street junction (@ 6.2mi)

6.4mi :: Turn **RIGHT** onto **Portmore Park Road**, passing between a fine set of "gate posts"!
Follow **Portmore Park Road** for 0.6mi. Note the road wiggles and goes up/down a bit.

Fig D: Thames Street / Portmore Park Rd junction (@ 6.4mi)

7.0mi :: Go straight over roundabout, through "No Entry" signs and onto **Old Wharf Way**.
Follow **Old Wharf Way** (~0.1mi) to arrive at **Bridge Road T-junction**.

Fig E: Portmore Park Rd / Weybridge Rd / Old Wharf Way roundabout (@ 7.0mi)

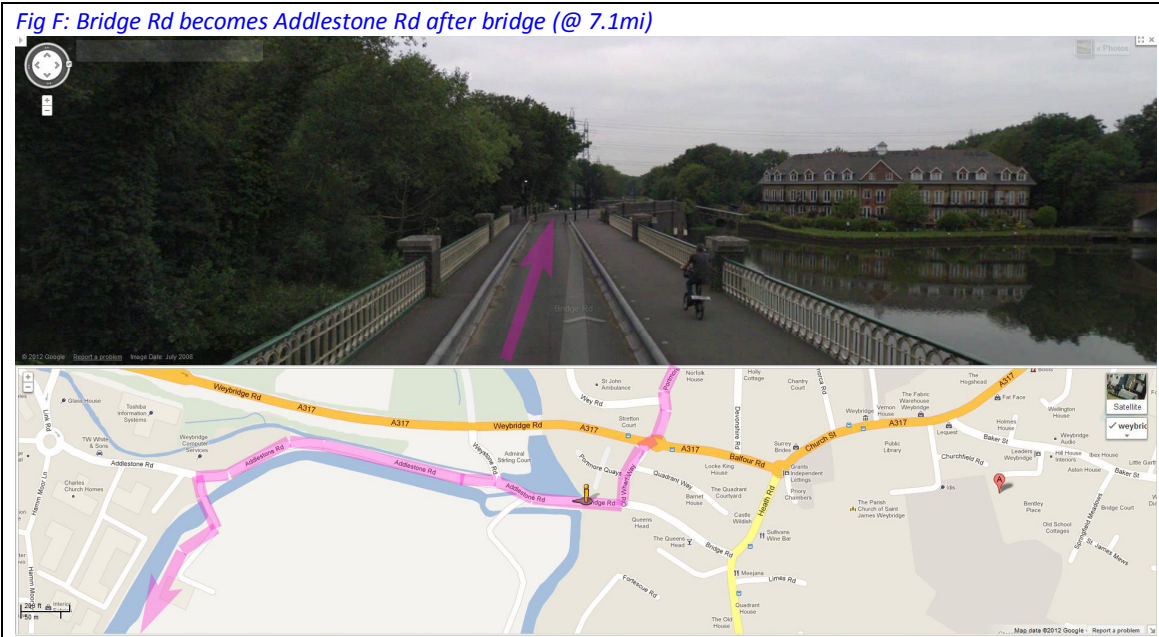

7.1mi :: At the end of **Old Wharf Way**, turn **RIGHT** onto **Bridge Road**.
Follow **Bridge Road** (becomes **Addlestone Road**) for 0.1mi.

Fig E: Old Wharf Way / Bridge Rd junction (@ 7.1mi)

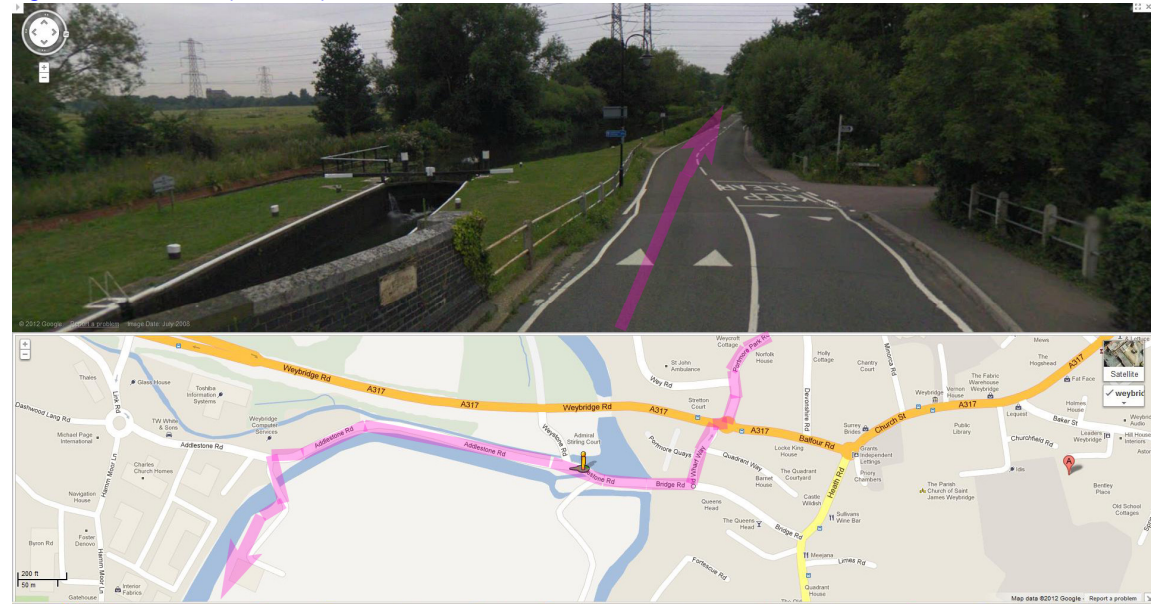

7.1mi :: Follow **Bridge Road** over bridge to become **Addlestone Road**.

Fig F: Bridge Rd becomes Addlestone Rd after bridge (@ 7.1mi)

7.2mi :: Proceed along **Addlestone Rd**. The first lock of the **River Wey Navigation** canal to your left.
 Use either **Addlestone Rd** or the path between the road and the canal, for 0.2mi.
 The canal will be on your **LEFT** side for this 0.2mi stretch.

Fig G: Addlestone Rd (@ 7.2mi)

7.4mi :: As **Addlestone Rd** bends right, turn left to take road bridge over **Wey Navigation** canal.
 Immediately after crossing canal turn **RIGHT** and follow tow-path with canal on your **RIGHT**.
 Follow tow-path for 1.3mi, always keeping the canal to your **RIGHT**.

Fig H: Turn off Addlestone Rd, over canal and follow tow path (@ 7.4mi)

8.7mi :: **FINISH** where **Wey Navigation** canal tow-path crosses **Byfleet Road (A318)**
